

**NEW!**

# MASTICATOR SWAP

## Paddle Blender

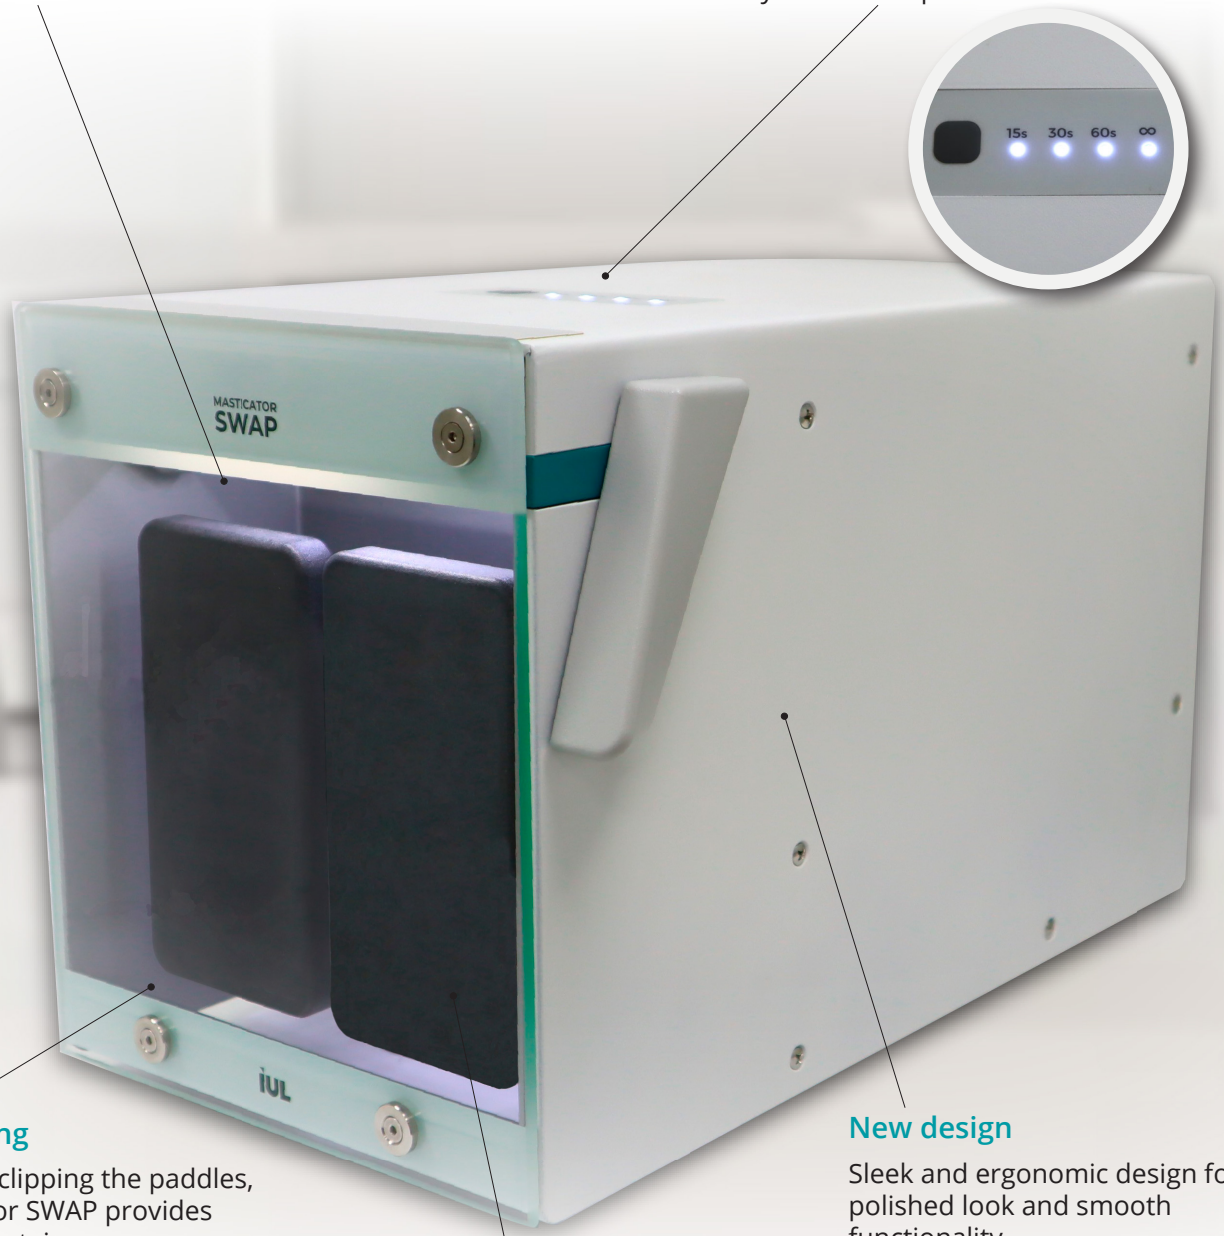

### Luminous warning

Dim luminous warning appearing during and after cycle completion.

### Integrated timer

Choose between 15, 30, 60 seconds or continuous homogenization with its keyboard on top.

### Easy cleaning

By simply unclipping the paddles, the Masticator SWAP provides effortless maintenance.

### New design

Sleek and ergonomic design for a polished look and smooth functionality.

### Interchangeable paddles

Choose between paddles of different width for precise homogenization in every blend. SWAP and start again!
