

# S.C.A.T. Europe Exhaust Filter Overview

## Generation V2.0, Active Carbon 2.0

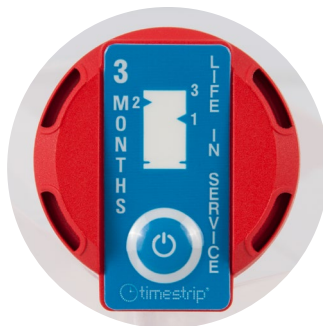

THE System for Solvent Safety

### Exhaust Filter S

- With change indicator
- Active carbon 2.0
- Economy package available

**3 months\* service life**

- One economy package provides for a year's requirement.

### Exhaust Filter M

- With change indicator
- Active carbon 2.0
- Economy package available

**6 months\* service life**

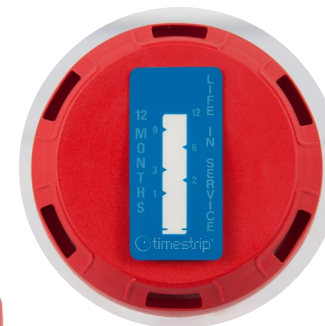

- One economy package provides for a year's requirement.

### Exhaust Filter L

- With change indicator
- Active carbon 2.0
- Economy package available

**12 months\* service life**

- One economy package provides for 2 years' requirement.

\*With typical HPLC flowrates of 1.5 - 4.0 ml per minute.

Part No.	Filter size	Units	Description
310534	S	1	Exhaust filter <b>S</b> , V2.0, with splash guard and <b>change indicator</b> , service life <b>3 months</b>
390335	S	4	Exhaust filter <b>S</b> , V2.0, <b>economy package</b> , with splash guard and <b>change indicator</b> , service life <b>3 months, quantity = 4 pieces</b>
310535	M	1	Exhaust filter <b>M</b> , V2.0, with splash guard and <b>change indicator</b> , service life <b>6 months</b>
390336	M	2	Exhaust filter <b>M</b> , V2.0, <b>economy package</b> , with splash guard and <b>change indicator</b> , service life <b>6 months, quantity = 2 pieces</b>
307986	L	1	Exhaust filter <b>L</b> , V2.0, with splash guard and <b>change indicator</b> , service life <b>12 months</b>
390986	L	2	Exhaust filter <b>L</b> , V2.0, <b>economy package</b> , with splash guard and <b>change indicator</b> , service life <b>12 months, quantity = 2 pieces</b>
